January Admin Update:

Drill Week:

Last week we were set to practice our drills, but given the weather conditions, most of these have been postponed to a later time. Students will be given notice prior to rescheduling.

Surveys:

Over the next few weeks, we will be starting a number of surveys including the MDI (Middle Years Development Instrument), and Student Learning Survey. The MDI and SLS both target Grade 7 students.

Hygiene Products:

Hygiene products are now available in all bathrooms per Board Policy 433.

Physical Literacy Support:

We are excited to welcome Dave Allan who will be working with our teachers on Physical Literacy in the classroom. Dave is seconded by learning services to help build capacity of teachers and classrooms when it comes to PHE and movement breaks. Dave is an experienced PHE teacher, who is great at building strong class routines. We are looking forward to seeing the impact of his work.

Transitions:

Both Chilliwack Secondary and Sardis Secondary have started their transition process for Grade 8 students. We are working closely with our Grade 8 teachers and School Based Team to create the most supportive transition possible for our students. We have been excited with the new transition process with CSS. Our Grade 8 French Immersion students will be meeting with Sardis teachers and counsellors on Monday. We are waiting to hear about confirmed registrations for Imagine. We have also been out connecting with our incoming Grade 5 classes as we prepare to welcome them next year.

Athletics & Clubs:

Athletics are up and running with boys and girls basketball and wrestling. We are super thankful for the coaches who have volunteered their time. We also have the after-school Video, Board Game, Hangout, Basketball, Maker Club, Nails and Chat, Golito, Math Club, Youth Rec Drop In, Indigenous Art, Stained Glass and Yearbook Clubs up and running. During select lunches we also have Mindfulness, Yarn and Acceptance Clubs. These are great opportunities for our students and staff to make connections outside of the classroom.
