Reports

Principals Report Paula Gosal

- Start back up has gone well. Students are respecting the rules. Some students are wearing their masks more now in class by choice.
- Kristi will be invited to our February 2nd meeting for a drug presentation. She can visit the classrooms if that is requested. Dare will not be running this year.
- Reached out to playgrounds and will be inviting them to the next PAC meeting.

- Diane asked : Are the highbrid grade 7 students be doing the FSA testing ? Yes, they will be invited into the school the test.
- Children who will not be writing the FSA test will need to stay home that day. Everyone is expected to write.
- Jamie asked if it matters if students have not written grade 4 FSA test? No it does not affect the testing. There just will not be any comparison.
- Diane asked if a package will be coming home for pictures? No packages will be sent home. On the student card there is information on how to order photos.
- Diane asked about desk organization in class. Are we able to move desks so that we are not facing other students? We have not been asked to move desks to separate the students yet.
- Polly asked, class sizes were suggested to be smaller to help with transmission. Is this possible? Right now class sizes will not be changing.
- Rebecca asked how playground restrictions are going? We have asked students to wear masks when they have to co mingle. Students are following the rules.
- All teachers are wearing their masks, Especially when outside and when they are not in their learning groups.

Vice Principal Report Ryan Pastorchik

- Changing the group areas outside still seems to be working keeping student groups separate. Students are doing a good job wearing their masks when they are transitioning areas.

Treasurer's Report Diane Br

- \$175.00 Grant from school district.
- Current available funds, \$10,672.79

DPAC Report – Anders L

- Special presentation from Interim Superintendent. Focus group focusing on middle schools.
- Voted on letter to Education Minister
- Questions for school board nominees discussed. There are four nominees.

- Anders also has drafted a letter regarding the sidewalk between the school and the field and shared it with us.
- Paula suggested, added adding it provides access to our school during the school hours. Once a month we need to escort people of the grounds who are using drugs.
- Diane shared that her son has seen adult community members walking the side walk smoking cigarettes and smoking cannabis.
- Polly wondering if sidewalk has been left open for high school students to walk through.
- Suggested can we have it gated so we can control who's coming in/ walking through?
- Suggested we reach out to our trustee assigned to our school.
